

# AZBUKA SCHOOL DANCE PROGRAMME

The Dance Programme within AZBUKA school curriculum is mainly aimed at children's physical development (such as posture, flexibility, coordination) as well as working on children's musicality, sense of rhythm and learning basic dance techniques and styles.

The Programme is structured into three blocks, which change termly:

**1 term September – December: Famous Ballets** (ballet technique and terminology, role play and dance elements based on famous ballets).

**2 term January – April: World Dance** (traditional and folk dance from all over the world such as tango, Irish dance, Russian dance, Greek dance etc)

**3 term April – July: Jazz and contemporary** (introduction into more modern dance styles) from Year 1 onwards.

Dance lessons also include dance and movement games, gymnastics and improvisation.

**Svetlana Malinina** – Dance teacher/Choreographer.
