*Eton mess

*Learn to make your bed

*Help mum and dad cook

***Research Easter in England and Easter in Russia and draw or show comparisons by celebrating it both ways.**

YEAR 3/ YEAR 4 From your Russian and English teachers:

Пожалуйста закончите свои художественные проекты с цитатами, а также все остальные задания, на которые не хватило времени во время учебной четверти.

3 класс **рисует виды Санкт-Петербурга** и учит отрывок из поэмы, 4 класс **доучивает басню**. Не забудьте выложить свои видеозаписи в портфолио на Class Dojo.

Для самостоятельного чтения 3 классу прекрасно подойдет раздел "**Сказочные человечки**" из зеленой книги по литературному чтению.

4 класс продолжает читать **произведения Льва Толстого и иллюстрировать понравившееся**. Также загляните в раздел "**Литературные сказки**" и прочтите их **самостоятельно**.

ФИЛЬМЫ:

Возможно, вам захочется развлечься всей семьёй и посмотреть фильмы: "Полианна" (есть как на английском, так и на русском) и "Как прогулять школу с пользой". Моей семье очень нравятся фильмы "Жизнь Пи", "Hugo", "Cinema Paradiso" (на итальянском с субтитрами, но очень хороший фильм). Детям постарше подойдет "Lord of the flies"- старый, но очень сильный фильм.

Для радости "**Приключения капитана Врунгеля**", для духа приключений "**Дети капитана Гранта**" (многосерийный).

Я снова рекомендую заглянуть в "**Детскую комнату**" на **сайте Арзамас**, там есть много короткометражных мультфильмов и другое.

Для тех, кто любит **мастерить и заниматься творчеством:**

The BBC will offer daily programmes to help parents and children with schoolwork at home during the lockdown. Starting on 20 April, videos, quizzes, podcasts and articles will appear on BBC Bitesize Daily via the BBC iPlayer, red button, BBC Four and BBC Sounds.

Little Angel Theatre have prepared free activities to help primary aged children keep creative whilst they're at home.

The activities include video stories (read by our performers), arts and crafts activities including puppet making (presented by our Creative Learning team), and a series of 'Make a Puppet Show at Home' videos (presented by our Artistic Director and her two primary aged children). The art and craft resources also suggest ideas for follow up activities to support other curriculum areas such as English. Next week will be themed around Easter, ready for the school holidays.
