And more family suggestions...

- Read a Christmas story together - in Russian and English! There are plenty to choose from catering to all different levels.
- Find a Christmas baking recipe and create some marvellous munchies by reading and understanding the steps in the recipe.
- Make homemade bilingual Christmas cards and send to your nearest and dearest – Make sure the children get to write the address on the envelope, put a stamp on it and pop it through a postbox!
- Find a list of the best Christmas lights around London and then go on a Christmas Light hunt around the city! Take a photo at each stop!
- Donate – As Christmas is a time of giving, there's no better time to donate than during the festive season. Have a look at The Christmas Present Appeal run by the Salvation army, book trust are also running a donation service to send a special book to a vulnerable child or contribute to 'Feeding Families' by donating individual food items.
