School Nasal Flu Programme

Monday 1st November 2021 2.30pm – 3.00pm

This is the only date and time slot available.

Dear parents,

We are pleased to inform you that AZBUKA has managed to agree with the NHS to run a Nasal Flu Vaccine Session this year on school premises (school hall/one of the classrooms).

The NHS staff will adhere to all additional Coronavirus protective measures while on AZBUKA premises.

Please read the information documents attached and return the form to school office by the 19^d October latest.

Nasal Flu Vaccine is recommended, but not compulsory.

Kind regards,
Maria Gavrilova

Dear Parent/Guardian,

Re: The Annual School Flu Vaccination for Children in Reception to Year 6 at AZBUKA School

Your child's annual flu vaccination is now due

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

Please complete the enclosed consent form (one for each child) and return it to your child's school as soon as possible to ensure your child receives their vaccination.

For further information and Influenza Leaflet see: www.nhs.uk/child-flu

The vaccination is free and is a quick and simple spray up the nose. Even if your child had it last year, it is recommended to have the flu vaccine again this year.

Since the programme was introduced, most children offered the vaccine in schools have had the immunisation.

If you have any queries, please contact the Immunisation Team on 0203317 5074 or 0203317 5076.

If your child becomes wheezy or has their asthma medication increased after you return this form, please contact the healthcare team on 0203317 5074.

If you decide you do not want to vaccinate your child against flu, please return the consent form giving the reason. This will help us plan and improve the service.

Please note: **The nasal flu vaccine contains a highly processed form of gelatine derived from pigs (porcine gelatine)**
If they want an alternative which is a Injectable vaccine they can call **020 3317 5076/5074** to book an appointment to bring the child too our clinic in Kentish Town.

Yours sincerely,

Immunisation Team
