

V&A Museum of Childhood

Dear Parents and Caregivers,

Year 1 and Year 2 will be investigating changes within living history with a focus on toys and family history. During this unit of work children will consider their favourite toys, and compare them to the toys their parents and grandparents played with. To enrich this learning we ask that children join us on Thursday 24th January to visit the V&A Museum of Childhood in Bethnal Green. The V&A Museum of Childhood in East London is a branch of the Victoria and Albert Museum.

During our visit the children will be able to get hands on with objects from the museum's Learning Collection, try on costumes and learn about what childhood was like in the past. Children will be having a half an hour guided session led by the museum staff. The cost of this Spotlight Talk is **2 pounds** per child.

We will be using public transport, **leaving school at 9.00am, returning by 3pm**. Could you please ensure that your child has a **packed lunch and a small bottle of water** on the day of trip.

Sincerely,
Azbuka School
